TENTATIVE NAVY CUT PLAN REACHED

Denver Officials Present Panhandle Rail Service Program

HOME TOWN STUFF

Building railroads is heavy work for weather such as we have been having for the greater part of this week, but the task of empire building cannot wait on pleasant weather. A number of Vernon men have been in Fort Worth most of this week attending a hearing on the applications of three railway systems for permits to extend their rail mileage in North-west Texas and the Panhandle.

The Frisco is asking for permission to build a line from Vernon to Seymour and to take over the line of G. T. & W. from Seymour to Jackboro, where a connection with the Rock Island will provide for entrance into Fort Worth. Then the Rock Island is asking permission to build from Shamrock, through Wellington and Quanah to a connection with the new Frisco line in this county. Then the Denver wants to build a line north from Childress to Pampa.

Several Vernon men testified in behalf of the Frisco application. Grady Shipp, who is secretary of the Chamber of Commerce, was the chief statistical witness from Vernon. Chamber of Commerce secretaries just naturally turn to statistics. The representative of the Interstate Commerce Commission, however, was a little unkind to Mr. Shipp while the latter was on the witness stand. Mr. Shipp was skimming along, telling about the present and future greatness of Vernon and Wilbarger County and at times indicating a marked preference for Vernon over other towns, when the I. C. C. men interrupted to say that it would be all right to dispense with the reading of the very beautiful essay about Vernon and stick to nude facts.

That thrust was unkind. It would have been all right to shut off unnecessary talk about Quanah, Childress and other towns interested in the railroad hearing, but the world ought to know about Vernon and the members of the Interstate Commerce Commission in Washington, none of whom ever visited Vernon, ought to have an opportunity to know more about this city. The only way to get it to them, since they don't subscribe for this newspaper, is to get it included in evidence submitted in an official document.

Harry Mason, Les K. Johnson, U. S. Davis, Dick Coffee, John Derryberry, Andy Bourland, O. T. Warlick and Home Town were the other members of the railroad party. Messrs. Johnson and Bourland were used as witnesses. Mr. Johnson got into some what embarrassing position while testifying concerning the passage of a railroad across ranch property. He says that if the Frisco builds a line from Seymour to Paducah across his Ford County ranch, he is afraid they will pull his testimony on him and demand free right-of-way.

The hearing was hard work, especially in view of the excessively warm weather in Fort Worth. H. T. worked hard, but held up under the strain fairly well. Just to show how strenuous the hearing was, out of the three days spent in Fort Worth, H. T. was able to see only two ball games. That's enough to wear down the most robust physiques.

But when a person can buy newspapers for only two cents a copy, why worry about sitting through long sessions. H. T.'s idea of attending hearings and conventions is to stroll around the hotel lobbies, attend ball games and read the proceedings in the papers. This is what H. T. did after being present when the Vernon witnesses testified in order to give them moral support.

Return Home.
Mr. and Mrs. T. B. Priddy and daughter, Geneva of Amherst returned to their home Thursday after visiting relatives and friends in Vernon.

CLARITY TELLS OF SCHEDULES FOR NEW LINE

Overnight Service Between Fort Worth and Eastern Part of Panhandle Is Promised, Fast-Freight Movement Also Included

Fort Worth, Aug. 2.—(A-P)—Overnight train service between Dallas, Fort Worth and the East Texas Panhandle would be offered if the Interstate Commerce Commission approved application of the Fort Worth & Denver to build a line from Childress to Pampa. F. E. Clarity, operating Vice President of the Fort Worth & Denver, testified at the I. C. C. hearing here today.

Clarity said trains would leave Dallas at 8:30 p. m., Fort Worth at 9:55 p. m., reaching Pampa at 8:10 a. m. the next morning.

Fast freight service also was promised, Clarity saying shippers in Fort Worth, Dallas and Amarillo would have second day delivery into Pampa, Shamrock and Wellington. One freight and one passenger train would be operated each way daily, the freight northward leaving Childress at 3 p. m. and arriving at Pampa at 1:15 a. m. by leaving Childress at 3 p. m., the train would connect with the southeast-bound Denver-Fort Worth and northwest-bound Fort Worth-Denver trains, the former reaching Childress at 2 p. m., and latter about 1 p. m.

The Fort Worth & Denver Panhandle line to Pampa would show a net railway operating income of \$300,000 the first year and \$364,655 the fifth year, H. B. Ruch, Denver auditor, said he had estimated. He compared revenues on the proposed Childress-Pampa line with those on the recently completed South Plains branch.

On the other hand, W. A. Blank, assistant general freight agent of the Denver, said he estimated the Denver would lose \$343,414.44 yearly. (Continued on page 2.)

CRASH VICTIM FUNERAL TODAY

SERVICES HELD FOR MISS M'HAM AT OKLAUION THIS AFTERNOON

Funeral services for Miss Etta Mae McHam, 19, victim of an automobile accident on the Colorado-Gulf Highway four miles west of Electra Wednesday night, were held this afternoon at 2:30 o'clock at the Oklaunion Baptist Church. Interment was made in East View Cemetery, Vernon.

Miss McHam, daughter of Mr. and Mrs. M. H. McHam, who reside three and a half miles northeast of Oklaunion, was killed instantly when the car in which she was riding with several others crashed into a truck parked by the side of the highway.

J. C. McHam, of Wichita Falls, and A. B. McHam, of Hollis, Okla., were injured in the crash. Miss Alma McHam, sister of the victim, and D. M. Bookman, of Hollis, who also were in the car, were unhurt.

"KEEP BUSY" ADVICE FOR AVOIDING SEVERE HEAT

Washington, Aug. 2.—(A-P)—The first item in a hot weather program suggested by Surgeon General Cummings of the Public Health Service is "keep busy."

A "cheerful frame of mind," he explained, is the most important safeguard against the heat. The easiest way to attain it was to think of things other than the weather.

Of summer diet, he remarked that "the normal palate is a dependable guide; the best things to eat are the things one wants—fruits and vegetables."

ASSEMBLY OF GOD CHURCH TO HOLD REVIVAL HERE

Rev. R. L. Steger of the Vernon Assembly of God Church will open a revival at the church on this corner of Wanderer and Antelope streets on Saturday night, August 10. Rev. A. F. Gardiner and evangelistic party will come to Vernon to assist Rev. Steger in conducting the revival which will last about three weeks.

WASHINGTON'S ENTRY WINS IN EDISON CONTEST

West Orange, N. J., Aug. 2.—(A-P)—Wilbur B. Huston, a youth from Port Madison, Wash., was named the winner today of the Thomas A. Edison competition for choice of a protégé and follower in the footsteps of the inventor.

The forty nine contestants—one from each state and the District of Columbia—were lined up on the lawn of the Edison home in Llewellyn Park as the announcement was made by Dr. S. W. Stratton, president of the Massachusetts Institute of Technology, who was chairman of the committee of judges.

Dr. Stratton was high in his praise of the boys who yesterday participated in a grueling examination on subjects ranging from morals and ethics to science.

It was a tired looking committee that faced the bright and fresh looking boys on the lawn. Dr. Stratton said they poured over the examination papers until 3 o'clock this morning. The high rating attained by each of the contestants made the job of picking the winner a hard one.

It was recalled that Huston, 16 years old and the son of the bishop of the Episcopal Diocese of Seattle, was the last to finish the test yesterday. A rousing cheer greeted the announcement of his victory and the tall, bespectacled boy was lifted to the shoulders of the other youths and carried twice in a circle around the lawn.

Huston will receive a four year course, with all living and incidental expenses paid, in the institution of his choice. He decided upon chemical engineering in the Massachusetts Institute of Technology.

CHINESE PRINCE BADLY SHOT

FORMER WAR LORD SAYS HIS GUN DISCHARGED ACCIDENTALLY

Tokyo, Aug. 2.—(A-P)—Chang Tsung Chang, former war lord of Shantung, early today shot and seriously wounded Prince Hsien Kai, cousin of the former boy Emperor of China, P'U-YI.

Mysterious circumstances surrounded the affair, which Chang claimed was accidental.

Chang's version of the shooting of the young Manchus was that a revolver he was handling upstairs at his hotel at Beppo, Island of Kishiu, exploded, hitting the prince who was standing in the garden below.

Hsien Kai was 21 years old and graduated from the Japanese military academy in July. He was spending a vacation in Beppo and had visited Chang in the evening.

The authorities are investigating the accident story.

BREMEN HOME FOLLOWING SPEEDY OCEAN CROSSING

Bremerhaven, Germany, Aug. 2.—(A-P)—The north German Lloyd liner Bremen came home today after its maiden round trip voyage to New York, on both laps of which is established new trans-Atlantic crossing records.

It docked here at 7:30 a. m., completing the voyage from New York in a bit more than six days. Its crossing record from New York to Plymouth, England, was four days, 17 hours, and 32 minutes.

SLAYER OF FOUR PERSONS HELD IN INSANE ASYLUM

Columbia, S. C., Aug. 2.—(A-P)—T. Earl Robertson, 55-year-old Spartanburg man, who in a mad frenzy, killed four persons and wounded another with an axe there yesterday, was held today in the state hospital for the insane here, under guard to prevent him from carrying out threats to take his own life. Physicians pronounced him insane.

HOLDERS OF ENDURANCE RECORD REACH CHICAGO

Chicago, Aug. 2.—(A-P)—Drenched by a steady downpour of rain the "St. Louis Robin" with Dale Jackson and Forest O'Brien, holders of the new world endurance record, arrived at the municipal airport today at 12:45 p. m., C. S. T.

LEAHY IS CALM AS HE GOES TO DEATH IN CHAIR

Finis Is Written Lengthy Episode of Condemned Slayer's Spectacular Fight for Life—Was Given 50 Years on First Conviction.

Huntsville, Aug. 2.—(A-P)—Out in the cow country of southwest Texas where Harry J. Leahy grew to manhood if a man died with his boots on he died a violent and very likely a disgraceful death.

When Leahy went to the death chair in state prison shortly before one o'clock this morning for the slaying of Dr. J. A. Ramsey of Mathis, his last act was to have his shoes removed.

He walked erect and composed to the electric chair and sat down after declining to say anything to the little group of witnesses.

Prison officials started to buckle the straps and electrodes.

He snarled slightly and motioned for Captain Homer Knighten, assistant warden.

Knighten stepped forward and leaned over. Leahy whispered something and Knighten dropped to his knees and took off the sandals Leahy was wearing.

Leahy was the calmest man who ever walked through the little green door of the death chamber, prison official said.

Leahy spoke but little during his last hours. In the afternoon he discussed his case briefly with prison officials and newspapermen.

"I don't want the report to get out I confessed," he said. "It was convicted on circumstantial evidence and the testimony of a Mexican," he said, referring to Roberto Martinez, a for-

DEATH CLAIMS HOUSTON MAN

LONG ILLNESS TAKES LIFE OF H. B. RICE, MEMBER OF PIONEER FAMILY

Houston, Aug. 2.—(A-P)—H. Baldwin Rice, 68, member of one of the most prominent pioneer families of Houston and former mayor, died early today at his home at Morgan's point near here after a long illness.

He was first elected mayor in 1895 and was re-elected in 1905, 1907, 1909 and 1911.

His regime as mayor always will be pointed out as the time when Houston first forged ahead toward metropolitan prosperity and growth. He was known as the moving spirit of Houston's paving plan. He bought the waterworks for the city and reduced the water rate from 40 to 15 cents.

While Rice was county commissioner the first highway in the county was paved. He was one of the original builders of the ship channel, working incessantly to bring the sea to Houston.

EXTENSIVE LIQUOR RAID MADE BY FEDERAL AGENTS

Youngstown, Ohio, Aug. 2.—(A-P)—Liquor raids exceeding in proportions any ever seen by Federal prohibition agents in Ohio cleaned out the "steel town" of Campbell last night and early today.

Fifty enforcement officers demolished half a hundred speakeasies, arrested the proprietors and dumped whiskey and beer into gutters in simultaneous appearances which crowded the Federal building with prisoners.

LAND UTILIZATION TO BE ONE PROBLEM OF BOARD

Washington, Aug. 2.—(A-P)—A soon as some pressing tasks have been disposed of, the Federal Farm board intends to inquire carefully into the whole problem of land utilization, condemnation and reforestation.

Almost any program the board might adopt, if it reaches any decision at all, will require many years to put into effect.

Wool Market Firm.
Boston, Aug. 2.—(A-P)—The Commercial Bulletin will say tomorrow: "While some houses report a small volume of business for the week, there has been a healthy trade altogether and prices are against the buyer, especially on medium descriptions, while fine wools are very firm."

GRAF ZEPPELIN REPORTS 300 MILES OFF GIBRALTAR

Friedrichshafen, Germany, Aug. 2.—(A-P)—The dirigible Graf Zeppelin dispelled all anxiety over her failure to communicate her position to her home port since passing Gibraltar by announcing at 8:25 a. m. (2:25 a. m. E. S. T.) today that she was making good speed 300 miles west of Gibraltar.

The Zeppelin works reported receipt of the following message from the airliner:

"8:25 a. m. central European time (2:25 a. m. E. S. T.), 300 nautical miles west of Gibraltar. Traveling at 100 kilometers an hour. Weather good."

This was the first message from the Zeppelin at the home office since early morning. Her speed of 100 kilometers an hour made her average speed about 63 miles an hour.

MANY HIGHWAY AWARDS MADE

CONSTRUCTION AUTHORIZED INVOLVES EXPENDITURE OF \$4,419,831

Austin, Aug. 2.—(A-P)—The Highway Commission in executive session allotted \$1,114,462 for construction work in a large number of counties today, bringing the money transaction for the 2-day meeting to \$4,419,831.

The Commission yesterday awarded \$1,908,524 worth of construction and maintenance contracts.

Contracts yesterday covered projects as follows:

Tarrant County: 6.71 miles concrete slab highway 1, and .35 miles grading and drainage with bituminous filled brick pavement and 7.79 miles grading and drainage highway 2.

Fort Bend County: 2.14 miles grading drainage and concrete pavement highways 35 and 36.

Karnes County: bridges over Ecleto and Elm Creeks highway 112.

Ellis and Dallas counties: Grove Creek and Red Oak Creek bridges and railroad underpass highway 6.

Harris County: Girder approaches on San Jacinto River bridge, 7.78 miles grading, drainage and concrete pavement highway 3 and 4.91 miles grading, drainage and concrete pavement highway 35.

Montgomery County: bridge work on highway 19.

Wharton County: 13.38 miles grading and drainage highway 71.

Grayson County: 8.15 miles grading and drainage highway 5.

Limestone County: 8.6 miles grading, drainage and concrete pavement highway 7.

Burnet County: 12.34 miles grading and drainage highway 108.

Anderson County: 3.94 miles grading and drainage highway 40.

Brazoria County: 6.29 miles stone and bituminous surface highway 58.

Cass County: 1.8 miles crushed limestone base course and bituminous surface highway 47.

Rusk County: 10 miles bituminous surface highway 26.

Hudspeth County: 13.8 miles bituminous surface, highway one.

WOMAN HELD IN FATAL AUTOMOBILE COLLISION

Los Angeles, Calif., Aug. 2.—(A-P)—Mrs. Alexander Pantages, wife of the theatre magnate, yesterday was held for trial in superior court here on a second degree murder charge growing out of an automobile collision which cost the life of Joe Bukumoto. Trial date was not set.

Three policemen testified Mrs. Pantages was intoxicated at the time of the collision and used abusive language.

RECORDS FOR SALE OF WHEAT BROKEN IN JULY

Chicago, Aug. 2.—(A-P)—All records for month's sales of wheat futures on the Chicago Board of Trade were broken in July. The grain futures administration announced 2,431,961,000 bushels were traded, exceeding by 369,000,000 bushels the record set in December, 1925.

SOVIET UNION LISTS DRASTIC RAIL DEMANDS

Appointment by Russian Government of Both Manager and Assistant Manager of Disputed Railroad Sought in Conditions Offered.

Moscow, Aug. 2.—(A-P)—The Soviet Union government, taking first public notice of quasi-official efforts to reach a peaceable settlement of the Chinese Eastern Railway controversy with China, today announced three drastic conditions as a solution of the problem raised by Chinese seizure of the railroad.

The conditions were:

Liberation of Soviet workers and civil service men held in Manchuria.

Appointment by the Soviet Government of both manager and assistant manager of the disputed railroad.

A conference to be called immediately for negotiating questions arising out of the conflict.

In addition it was said both China and Russia would have to agree to admit that the status of the railway has been changed as a result of its seizure and subject to further change in accordance with the Peking and Mukden agreements of 1924.

The conditions were made public in a foreign office statement which listed in detail conversations between B. N. Melnikov, former consul general at Harbin, and Tsai Yun-Sheng, Manchurian commissioner for foreign affairs.

The negotiations apparently began July 22 and continued until July 29 when Chang Hsueh Liang, Governor of Manchuria, remained silent on a proposal that the Soviet Government name both manager and assistant manager for the railroad.

SNOOK HEARS STATE'S CASE

PROSECUTION GETS UNDER WAY IN DEATH OF OHIO CO-ED

Courthouse, Columbus, O., Aug. 2.—(A-P)—Dr. James H. Snook lay back in his canvas beach chair today, almost out of sight behind the counsel's table, and listened to stories by state witnesses of the finding of the body of Theora Hix, the girl he is charged with killing.

In rapid order the prosecution put on three witnesses to build up the narrative of how the young Ohio co-ed's body was found last June 14 on the New York Central rifle range on the western edge of the city, and one witness who told of seeing a man and woman struggling there the night the killing occurred.

Dr. Snook was submitted to another examination by two physicians before court convened today, but defense counsel did not reveal the nature or purpose of the examination.

COMMISSION AUTHORIZES NEW BRIDGE CONSTRUCTION

Bridge improvements on the County road leading from the Farmers Valley to the Colorado-Gulf highway was approved by the Wilbarger County Commissioners this week, J. M. Reynolds, commissioner of precinct No. 3, north and west of Peace River, said. One new bridge is to be constructed on this road and two others are to be repaired.

Warrants were approved for \$6,000 worth of bridge work. Other work approved included construction of a new bridge where the recent high water washed out a bridge two miles north of Fargo. A second bridge two miles northeast of Fargo is to be repaired.

EXTORTION PLOT AGAINST COMPOSER IS UNCOVERED

Chicago, Aug. 2.—(A-P)—A plot to extort \$1,000 from Bohumir Kryl, famous band master and composer was uncovered yesterday with the arrest of George A. Owens, who described himself as a railway ticket agent from Neenah, Wis.

In Owens' pockets were found an ice pick, a handkerchief devised as a face mask and a note addressed to Kryl which said:

"Give the bearer \$1,000 within five minutes or you are a goner. We mean business. The West Side Gang."

ONE KILLED IN OUTBREAK AT FEDERAL PRISON

United States Penitentiary, Leavenworth, Kas., Aug. 2.—(A-P)—A fresh out burst among convicts was reported here today following yesterday's rioting in which one prisoner was killed and three wounded.

The trouble today was reported to have started when a large group of convicts refused food at breakfast and hurled plates, cups and saucers about the mess hall. Prison officials refused to give any information concerning the disturbance which apparently was of a minor nature.

LONDON PAPER SAYS FORMULA TAKING SHAPE

London, Aug. 2.—(A-P)—The Evening Standard says today it is able to announce Prime Minister MacDonald and Ambassador Dawes have reached a tentative agreement or formula with regard to naval disarmament.

Authoritative quarters in London were inclined to minimize the importance of the Evening Standard's story. It was said no decisions had been reached as yet between London and Washington although the conversations were proceeding satisfactorily.

The Standard said that the following proposals were included in the reported agreement or formula:

(1) The battleship programs to be restricted.

(2) The size of future battleships to be decreased.

(3) The life of battleships now in commission to be prolonged and, (4) A declaration by both countries of their willingness to cease building submarines.

WASHINGTON SAYS POINTS NOT RELATED TO FACTS

Washington, Aug. 2.—(A-P)—The four points on which reports from London said Prime Minister MacDonald and Ambassador Dawes had reached an agreement in their naval discussions were said today by authoritative sources to have no relations to the facts.

RIVER BRIDGE SOUGHT HERE

Vernon and Wilbarger county, through the Chamber of Commerce and County Commission, made application to the Texas State Highway Commission for a bridge connecting Texas Highway No. 23 with Oklahoma Highway No. 24, in a letter written by the Vernon Chamber of Commerce to Judge W. R. Ely, Highway Commissioner, of Abilene. The letter contained a request that the Highway Commission consider the need of such a bridge and act in favor of the project.

The Texas and Oklahoma highway commissions, meeting in Austin yesterday, decided to enter into a program of constructing bridges over Red River with each state sharing proportionally the cost of bridging the boundary stream. Execution of the program would involve an expenditure of approximately \$400,000 by each state, according to a report yesterday.

A number of bridges to be built and their definite location was not decided upon at the executive session, but it was expected that engineers from the two states will immediately consider plans for the project.

ALL-TEXAS MOTORCADE LEAVES FORT WORTH

Fort Worth, Aug. 2.—(A-P)—The all-Texas tour motorcade over the Carlisle Cavern route left here today escorted by an official car from the Association of Commerce and two state highway motorcycle police.

The party spent last night here and expects to reach Snyder tonight. William A. Wilson, secretary of the Dallas-Cavern Highway Association, is leading the motorcade, which is expected to contain some 300 cars by the time it reaches Carlisle, N. M.

BUSINESS SIDE OF RANGE FARMING DISCUSSED

College Station, Texas, Aug. 2.—(A-P)—A thorough study of the business side of range livestock production in Texas suggests that the wisest plan of operation is to produce sufficient feed for all breeding stock and market surplus feed by feeding livestock for market. E. W. Sheets of the animal husbandry division of the bureau of animal industry, told the general session of the farmers short course at the A. & M. College of Texas today.

Judges for Yard Contest Named by Lions Club

Judges for the Vernon yard contest sponsored by the Vernon Lions Club were announced by Fred Russell, chairman of the yard contest committee, today at the regular monthly business meeting of the club. Mrs. J. E. Lutz, Miss Ethel Haney and Miss Emma Ginter were named as judges.

The yards of Vernon are to be judged from August 15, to September 1. The yards of Vernon are to be divided into three classes for the contest and it is expected that about 50 yards will be entered for the prizes, which are to be given for the first, second and third places of the three classes. The first class includes yards of homes valued up to \$2,500, the second class includes homes valued between \$2,500 and \$5,000, and the third includes all homes valued above \$5,000.

VERNON PASTORS AID IN OIL FIELD REVIVAL

Vernon pastors are assisting in the preaching at a revival meeting which is being conducted this week in the new auditorium at Rock Crossing. Dr. E. L. Moore, pastor of the Federated Presbyterian Church of this city, delivered a sermon at the meeting Thursday night, and Rev. C. A. Bockley, pastor of the Vernon Methodist Church, will preach at the services tonight, according to an announcement made today.

Rev. M. P. Hines, Methodist circuit pastor, will conduct the Saturday night and Sunday services.

Husband and Wife Notice Big Change in Their Condition

Wichita Falls Woman Gains in Strength and Husband Now Feels Fine Since Taking Orgatone. Think It Is a Great Medicine.

"We think Orgatone is a great medicine, for it has helped us both, and saved us years of suffering," said Mrs. A. B. Humphrey, wife of a refinery worker, living on rural route 1, Wichita Falls, Texas.

"For about ten years, I have suffered from kidney trouble, and always felt tired and worn out, and didn't have any pep and energy. My husband suffered from a severe case of stomach and digestive troubles. He had to be very careful of what he ate, for the least thing would cause biliousness and dizzy spells, and gas would form on his stomach, until he would suffer for hours. His appetite was poor, and was restless at night and didn't get the proper amount of sleep.

"Orgatone was recommended to us, by a friend, and we both began taking it. We began to feel better right from the start. My kidney trouble has disappeared, and I'm feeling simply fine. My husband, hasn't been bothered with indigestion since. He says anything he wants to eat, and doesn't have those gas and bilious spells. We both have received great benefits, and I am glad to give this statement so that others may be benefited."

Genuine Orgatone is not a so-called secret or patent remedy but a new scientific bile preparation and is sold in Vernon exclusively by the Vernon Drug Store, who are direct laboratory agents. Adv.

GRAY-HENRY COMPANY MOVES INTO NEW HOME

The Gray-Henry Motor Company, local Dodge automobile agents, opened for business in their new home at the corner of Fannin and Marshall streets this morning. The new building, which was erected at a cost of approximately \$12,000, was completed last week and interior decorations, painting, and installation of furniture were completed this week. The company started moving to the new quarters Monday from the temporary home on South Main street.

The new building is of white brick structure, covering 30 by 110 feet. A show-room floor space of 30 by 30 feet has been provided, leaving a shop space of 30 by 60 feet. The remaining space is occupied by a private office, mail office and parts department, and modernly equipped dressing rooms. A fourth department is located on the second floor, a 25 by 30 area, and is used for the storage of parts, tires, and equipment.

A used car department enclosure, 30 by 110 feet, joins the building on the east.

Clarity Tells--

In the Rock Island petition for a road from Quanah to Shamrock were granted and the Denver application denied.

Fort Worth, Aug. 2.—(AP)—L. M. Hoggett, general freight agent for the Fort Worth and Denver Northern, took the stand again today for cross examination by attorneys of the Rock Island and Frisco railroads in the I. C. C. hearing being conducted here on the applications of three railroads for extension of their West Texas lines.

Hoggett, in discussing the Denver's proposed line from Childress to Pampa, estimated that the income of that line for the first year would be \$650,000, and announced that on that basis his road would be able to give lower rates on the shipment of cotton seed products between those points than are now given the shippers. The present rate is 22 cents a hundred, while the new rate would be 15 cents, Hoggett said.

In cross examination of Hoggett the attorneys attempted to show that the Denver's proposed line would take away more business from the present lines of the Santa Fe, Rock Island and the Clinton, Oklahoma and Western railroads than would justify building of the new road.

New York, Aug. 2.—(AP)—Cotton opened steady at a decline of 9 to 22 points under realizing and some local or commission house selling promoted by a feeling that recent advances had eased the technical position of the market and also by rather higher private crop and condition figures. At the end of the first half hour, October contracts had sold off to 18.98 and March to 18.98, or about 14 to 16 points net lower, with the market rather nervous and unsettled. A private report placed the condition of the crop at 78.1 and the indicated yield at 15,740,000 bales.

Liverpool reported a quiet market with fluctuations due to evening up in preparation for the holidays. The market there will be closed Saturday and Monday.

The market was easy late in the morning under further liquidation with October selling off to 18.92 and March to 18.92, or about 26 to 27 points below yesterday's closing quotations, prices were at about these figures at mid-day.

Another private report was issued, placing the condition of the crop at 78.2 and the indicated yield at 15,412,000 bales.

brief illness from a cold.

FORMER MEXICAN CHIEF
EXECUTIVE IN FRANCE

Havre, France, Aug. 2.—(P)—For-
mer President Calles of Mexico arrived
here today aboard the steamship
Ile de France. He was welcomed by
the Mexican minister, Alberto J. Pani,
and his staff.

The former President plans to rest
and possibly take treatment here be-
fore undertaking his study of Euro-
pean railroads in his capacity as
chairman of the Mexican railroad re-
organization commission. He said he
also intended to look over agricul-
tural methods and conditions in the
hope of getting some useful ideas for
his country.

Accompanied by Senor Pani, he
and members of his party went to
Paris this morning.

The Ile de France, maneuvering
with difficulty in a heavy wind,
tumbled into the pier and its side
was ripped open above the waterline
for sixty feet along the stateroom quar-
ters. Two passengers were scratched.

EDISON'S TEST QUESTIONS DISAPPOINTING

Persons who, perhaps slightly dissatisfied with modern educational methods, have been looking forward with hope to the test that Edison would give the forty-nine candidates for the coveted place as his protegee must be disappointed after reading the questions asked the candidates. Edison has repeatedly asserted his contempt of college courses, and has never appeared to hesitate at going outside conventional procedure, and one surely was justified in expecting an extraordinary list of questions.

The list, however, presented nothing that might be expected to advance some new theory for discovering latent genius. It is true that it was comprehensive, but there was little to distinguish it from any examination covering a complete high school course. The questions made a half-hearted attempt to obtain something of the underlying character and attitude toward work of the individuals, but not in a marked degree.

Some of the questions doubtless will puzzle numerous adults. The Record does not intend to give the inference that the questionnaire is surprisingly easy to answer, but there is little doubt that the observant student who has completed the standard high school course can pass the test with an excellent grade, regardless of his natural interest in mechanics or invention.

Perhaps it was easy to expect too much of Mr. Edison. His brain has created so many startling inventions and drawn the veil back from the unknown so far that it would not have been surprising to see him offer a standard yardstick for measuring genius. One can conservatively venture the assertion that it is unsafe to rely solely upon this test to determine those who are fit to become inventors, and if Mr. Edison takes nothing else into consideration in selecting a protegee to follow in his footsteps he may encounter numerous obstacles. The high schools of the nation are turning out youths in almost countless numbers each year who can pass such a test with remarkable success.

BARRIERS TO TRADE VOLUME

American prosperity seems destined to spread to other lands, for American capital is branching out and investing in industrial plants in foreign countries on an ever increasing scale. Naturally their plants will in time reflect the state of prosperity obtained in the United States, and will exert a potent influence toward a similar economic state throughout the countries in which they are located.

While the average American may feel inclined to criticize this tendency as unfair investment of the profits of American industry, since these profits will in a manner be used to develop and contribute to the prosperity of other nations. However, Theodore M. Knappen, in a recent article in the

THE FIRST
STATE BANK
Vernon, Texas

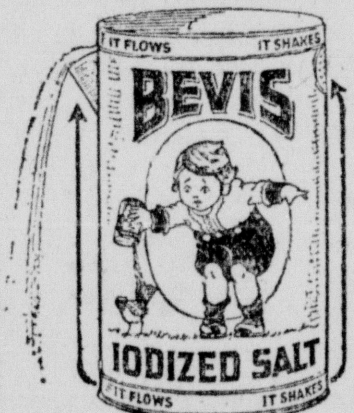

Magazine of Wall Street, advances the opinion that the American wage earner has nothing to fear from the establishment of branch factories in other lands. He assumes the position that every American factory established overseas helps to increase the prosperity of the district in which it is established, and that while that district may import less of a particular kind of goods from this country, its total imports will be greater than ever. There may be readjustments, but there will be no hardships, he argues.

He apparently takes the stand that since prosperity for the masses has proven beneficial to all concerned, including capital and industry, in America, extension of the sphere cannot but prove still further beneficial. He would not hesitate to curtail some American imports of the general prosperity is increased to the point that the buying power will absorb a greater volume of American goods.

This is sound argument, but the Wall Street Journal, champion of big business that it is, might apply it to the tariff. Reduction of the tariff barriers undoubtedly would help to increase the total volume of trade, although it might curtail America's imports of particular commodities somewhat. However, the increased volume of trade and resultant general prosperity might be expected to more than offset the losses.

Trade volume has become an essential factor in American prosperity, and there is no reason to believe that it can contribute to improvement in other lands. Why not remove barriers to its increase.

Childress, Texas, Aug. 2.—The second story of the Cristler building at the corner of Main Street and Avenue B, is being vacated so workmen can rearrange the building for the Southwestern Telephone company. This company has had a portion of the second story but as the plant is being rebuilt and enlarged it was necessary to have additional room.

The company has taken a lease for 10 years and will fit up the building for the particular use of the telephone company. It is rumored the company will install the automatic system within a short time, as the business here has grown to such size

that the automatic system is demanded.

Woman Loses Money.

Grandfield, Okla., Aug. 2.—No trace has been found by the city police of the person who either stole or found the \$90 in bills lost in the city post-office last week by an aged woman, Mrs. H. Harris. The money lost was part of a pension check which the government had sent to the woman. The money disappeared when the woman laid it on a desk in the post-office for a few moments while she bought a book of stamps.

It is thought that negroes who were in the office at the time took the bills.

Costs of Gin Run Cotton Seed Are Told by Expert

College Station, Texas, Aug. 2.—(AP)—It costs Texas farmers millions of dollars annually to plant continually gin run or mongrelized cotton seed of many varieties E. A. Miller, extension service agronomist said Thursday in telling of advantages of community cotton standardization before the farm crops section of the Farmers Short Course at A. & M. College.

"By growing many varieties the seed mixes at the gin and soon runs out, and even good seed is ruined in a few seasons," he said.

"Spinners find much waste in spinning the uneven fibre that comes from mixed seed and are finding difficulty in locating large supplies of even running cotton. One-variety communities have the opportunity of producing uniform cotton for which a special market may be obtained. The slowness of farmers to get together by communities on one variety is largely due to the hog round buying system that buys on grade alone and ignores staple lengths.

"A start has been made on standardization of cotton in Texas, however, with forty county agents reporting 115 communities on such a basis this year. A survey last season showed where such cotton was pooled or sold through a marketing organization it brought an average premium of \$6.85 a bale."

GAINS TWENTY FIVE POUNDS

"Before I started taking Sargon I was down in weight to 140 pounds and was badly run down after years of suffering. Since taking Sargon I have gained 25 pounds and am back to my normal weight which is 165 pounds."

"Up to a few years ago I had always been in fine health, then I commenced to be troubled with indigestion and constipation. It just looked like I couldn't digest anything. I put myself on such a light diet I became badly undernourished and lost weight rapidly. I lost my strength and energy and it was all I could do to stay on my job."

"Almost as soon as I began taking Sargon I started eating again and took on weight rapidly. I tell you it's fine to sit down at the table and eat a man's meal again. I am as full of strength and energy as I ever was and can do more work in one day now than I could in two before."

The Sargon Pills toned up my liver and I no longer suffer from biliousness and constipation.

"After gaining 25 pounds I am feeling like my old self again and I think that is enough to convince everybody the Sargon treatment is wonderful."

—Joe N. Canizar, 348 Washington Boulevard, Beaumont, Texas.
Sargon is now called "The Medicine with a Million Friends." Its marvelous record of achievement is probably without parallel in the history of the drug trade of this country.

CANZONERI CONFIDENT OF UPSETTING TITLE HOLDER

CHAMPION MANDELL DECLARES CHALLENGERS WILL BE DEALT WITH IN HIS USUAL MANNER

(By the Associated Press)
Chicago, Aug. 2.—(P)—Tony Canzoneri, chesty little bootblack from New Orleans whose stinging fists achieved glory in the bantam and featherweight sectors, tonight aims his weapons at Sammy Mandell, one of the most elusive targets of the ring, in an audacious bid of his world's lightweight crown.

The two will battle 10 rounds to a decision in Paddy Harmon's gigantic punch bowl, the Chicago stadium. A record indoor crowd of 25,000 is expected.

It is to be a skirmish between a clever boxer and a rugged, two-fisted puncher and Mandell, the boxer, is an overwhelming favorite.

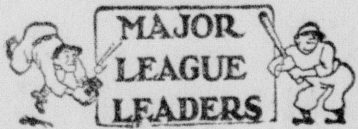

So clearly did Mandell turn back the title bid of Jimmy McLarnin, a pile driving hitter of the Canzoneri type, in his last championship battle that few observers grant Tony much more than a chance. Although the champion has spent the past year in comparative idleness because of injuries. He has displayed impressive form during his training.

Weight, too, was a disadvantage Canzoneri had to fight against. He expected to enter the ring four to six pounds lighter than Sammy and among lightweights such a difference is a considerable handicap. Tony's advantages lay in his punch, his greater ring activity and his age. He is 22 and Mandell is 25.

"Canzoneri will not bother me any more than McGraw or McLarnin did," Sammy said. "I am at my best now and have had no trouble in getting down to the 135 pound limit."

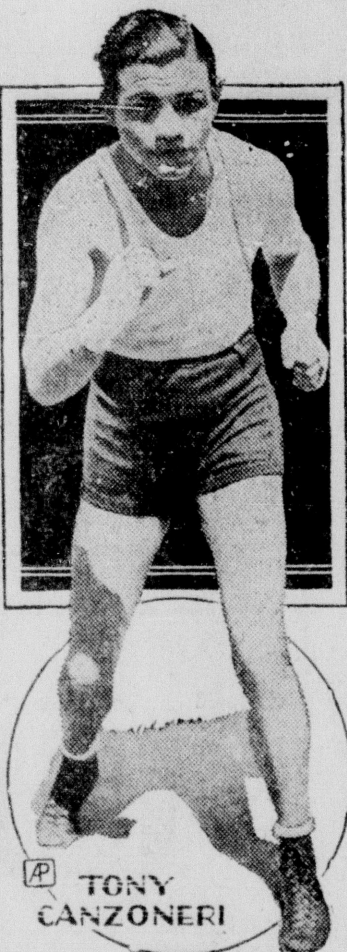

plan to set a fast pace and keep going. Watch my left."

"I will give all I have and I am certain of winning," Tony countered. "It'll be a tough fight, though."

SPUDDERS BEAT INDIANS AGAIN

NORTHERN CLUBS DISPLAY SUPERIORITY OVER SOUTHERNERS

(By the Associated Press)
Northern clubs displayed superiority over southern rivals by taking nine decisions in eleven starts in the series ended yesterday. The Waco Cubs, by winning one of their three with Fort Worth, and the Buffs salvaging the last of their series with the Steers, prevented the invasion being a total failure.

The downstaters moved on to new fields during the night. Today the Buffs were at Shreveport for a trio, Beaumont at Dallas, San Antonio at Fort Worth and Waco at Wichita Falls. The battle for second place probably will be fought out at Shreveport the next three afternoons.

The Spudders failed to add to their two-game lead over the field yesterday when their closest pursuers also won. San Antonio lost its third straight to Galloway's hearties' 9 to 5. Houston blanked the Steers, 3 to 0, in the final at Dallas.

For the second time Shreveport came from behind to defeat Beaumont 4 to 3.

Two Waco Cub hurlers were slaughtered in the final at Fort Worth, won by the kittens, 11 to 1. Harris was sent to the showers in the fourth and the onslaught continued against Branchau. Buzz Phillips, who has proved the Cat mound ace since the second half began, gave up only four hits.

CUBS NOSE OUT BOSTON BRAVES

ALL FEATURES OF STIFF PITCHERS BATTLE SEEN IN GAME

(By the Associated Press)
Those who insist pitching is a lost art and the lively ball has destroyed baseball's defensive features might consider the battle between the Cubs and the Boston Braves at Wrigley Field, Chicago, yesterday.

Nine innings of brilliant pitching by Guy Bush on the one hand and Ben Cantwell and Ed Leverage on the other saw the Cubs eke out a 1-0 decision that enabled them to retain their five-game lead in the National League pennant race.

As it turned out the Cubs won on one hit. In the first inning, English doubled and Cantwell, losing control, walked three men in a row to force in the only run of the game.

The Pittsburgh Pirates came out of a bad slump to down the Phillies, three to one.

Larry Benton pitched the New York Giants to another triumph over Cincinnati, 6-1. Luque was the victim of bunched hits in the third inning when the Giants tallied four times.

The St. Louis Cardinals got to Johnny Morrison for four runs in the first inning and old Pete Alexander was able to coast in to a 5-2 decision over the Brooklyn Robins.

In the American League, the Philadelphia Athletics increased their lead to ten and one-half games by turning back Detroit, 7-4, while the New York Yankees were losing to Chicago, 2-2.

Both Yankee scores were home runs, one by Earle Combs, and the other by Babe Ruth, the Babe's 25th of the year.

Cleveland downed the Boston Red Sox, 10-3, behind effective pitching by Jimmy Zinn.

Held to one run for six innings, the Washington Senators slugged Collins and other St. Louis Browns' pitchers for five runs in the seventh and seven more in the eighth to win, 13-9.

TEXAS FOOTBALL CALLS TO BE SENT OUT SOON

Austin, Texas, Aug. 2.—(P)—One hundred invitations to candidates for the University of Texas football team will soon be mailed to the gridiron aspirants asking that they be ready for the training season beginning Sept. 10.

Fourteen lettermen of the squad which last year captured the Southwestern Conference title will be among those to report to Coach Clyde Littlefield. Eleven athletes who won their "T" in football have been sent to the Longhorns through graduation. Gaping holes must be filled in the Steer line as a result of the loss of Tigner, Phillips and Sewell at guard, Cowley and Wray at tackle and center, and Rhodes and Ford, two cack wingmen. In the backfield Longhorn

mentors must replace Captain Rufus King, fullback, and Leo Baldwin, one of the most versatile athletes in Texas history.

Backfield prospects will partially recompense Coach Littlefield for his heavy losses in the forward wall. Shelley, Beular, Meadows, Rees and Perkins will return, but there is a possibility that Higgins will not play football on account of the risk to his baseball throwing arm. One of the brightest prospects in collegiate baseball, Higgins already has been tendered contracts by the New York and Philadelphia American League baseball clubs effective after his graduation next spring.

MANAGER OF PIRATES GIVES TEAM SHAKEUP

Pittsburgh, Pa., Aug. 2.—(P)—With Pie Traynor, captain and third baseman, returning to the lineup after a long absence due to a leg injury, Donie Bush, manager of the Pirates, gave his outfit the biggest shake-up of the year. Earl Sheely, first baseman, in a batting slump, has been replaced by Paul Waner; Brickell will play right field; Bartell will move from short to second; Clarke Adams goes to the bench. Hemsley will go behind the bat to relieve the overworked Hargreaves.

Grimes and Grantham still are on the hospital list.

Shrubbery, Evergreens, Roses, Etc.

In order to get the public acquainted with us and to make our Nursery a visit, we are going to give the following as free prizes:

FIRST PRIZE

To the person visiting our Nursery and Greenhouses and making the nearest correct estimate of the number of trees, evergreens, roses, vines, etc., within our nursery, greenhouses, beds and propagating beds, we will give free \$10.00 worth of any plant or shrub in our nursery, delivered and planted this fall when planting season opens.

SECOND PRIZE

To the person turning in the largest list of correct names for items found in our Nursery and Greenhouses, we will give \$5.00 worth of any item in our Nursery, these to be delivered and planted as in 1st prize during the coming season. (Don't go by the signs, they may be wrong?) We would like for you all to visit us and see for yourself the up-to-date Nursery and Greenhouses devoted exclusively to the culture of NURSERY STOCK. See our CHINESE ELMS, try to count them, not by the hundred but by the acre. We have Evergreens, Blooming Shrubs, Shade Trees, Roses, Etc., by the acres. Now is the time to make us a visit and make your selection for this fall, pick out your plants and trees now, we will be glad to tag them and deliver them at any time you want them. Our stock has ALL BEEN RAISED IN VERNON, and is far better than stock shipped from some other part of the country that is not acclimated to this climate.

CHINESE ELMS

We want you all to pay particular attention to the acres of these wonderful shade trees, notice the strong healthy bodies (that do not have to be staked) we will plant them and guarantee them to live anywhere where anything else will grow.

Vernon Coaches Off To Attend Coaching School

W. C. Weir, Vernon High School head coach of athletics, and Ralph Binnion, assistant coach, left yesterday afternoon by automobile for Evanston, Ill., where they will attend the Northwestern University summer coaching school August 5 to 17. The outstanding feature of the Northwestern course will be the courses offered by Coach Dick Hanley, head coach at Northwestern, and Charlie Bachman, head coach of Florida University. Mr. Weir said yesterday that the Hanley-Bachman courses attracted nationwide attention and

that the courses consisted of "practical football taught by practical coaches." These two men possess a wide knowledge of practical football obtained from a thorough study under the two masters of strategy—Warner and Rockne—plus a number of years as head coaches in leading universities.

Coach Hanley will start with the A. B. C.'s of Warner football, taking up the famous reverses, double reverses and fake reverses. He will spend considerable time on the renowned Warner B or open formation which caused so much comment when the Stanford team dazzled the East last fall with its overwhelming defeat of the Army.

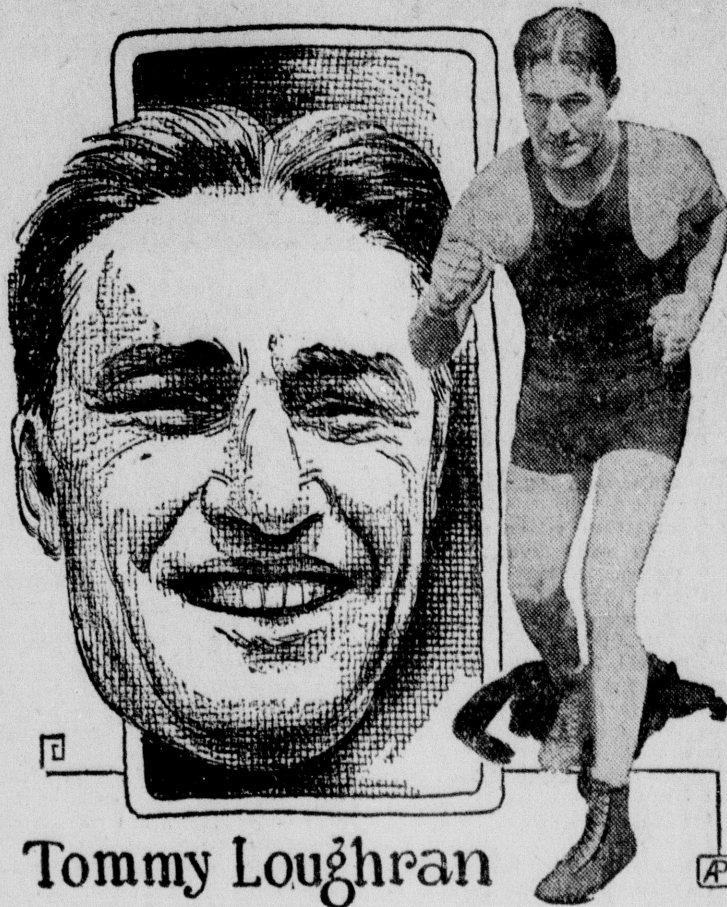

Coach Bachman, a contemporary of Coach Hanley when both were coaching in the Missouri Valley, and who had one of the outstanding teams in the South last fall, will follow, in contrast to Warner football, the fam-

ous Notre Dame system. Coach Bachman is one of Knute Rockne's outstanding pupils, having starred on Notre Dame eleven several years ago.

Supplementary lectures will be given by Walter Steffen of Carnegie Tech, dealing with spin plays and delayed offense; Arnold Horween of Harvard, featuring the lateral pass; Jess Hawley of Dartmouth, forward pass authority, and Duke Dunne of Harvard, line play.

In addition to football courses, extensive courses in basketball, track, and swimming will be offered, according to Mr. Weir. Coach "Dutch" Lomborg of Northwestern, whose distinct style of basketball has met with marked success during his coaching career, will be chief instructor of that field. Tom Robinson, Northwestern, will instruct in swimming courses. Expert track instruction courses will be offered by Frank Hill,

Christians and Baptists Clash in Game Today

The Methodist team of the Vernon Sunday School League forfeited the game for today with the Presbyterians, and the Christians and Baptists will play their postponed game this afternoon, according to Manager C. Q. Rogers of the Christians.

The Christians must win the game this afternoon to stay in the running for the title of the second half, as this is the last game of the final period. A Christian victory would place that club in a tie with the Presbyterians, who are now leading for the right to play the Baptists, first half champions, for the title.

Standing of the clubs following the forfeiture follows:

Clubs	G.	W.	L.	Pct.
Presbyterians	9	6	3	.666
Christians	8	5	3	.625
Baptists	8	4	4	.500
Methodists	9	2	7	.222

SWEDEN FINDS ANSWER TO BIG WORK PROBLEM

Stockholm (P)—From 1914 to 1924 Sweden spent \$64,100,000 for relief of unemployed, says a report of the State Unemployment Commission.

At present the number of unemployed in Sweden shows a minimum figure, but the number registered during 1922 averaged about 150,000 every month. Only about one-fifth of the entire sum spent was given as doles, the rest being used as constructive unemployment relief.

The works included the repairing of roads, building new roads and railroads of a total length of more than 1,800 miles, farm improvement and the building of 54 recreation grounds.

SAVE WITH ICE

Summer Dishes Cool and Refreshing

A BOWL of salad, a crisp and cool—desserts of frozen goodness—summer meals can be made enchanting when they are planned to relieve the heat of summer days! And it is so easy, costs so little to prepare dishes that are truly refreshing.

The essential thing is plenty of ice in a good refrigerator. Ice-chilled and ice-cleaned air keeps meats, fruits and vegetables fresh, full of their delicious juices and flavors. Then, too, you always have abundance of ice for all the dozens of uses which summer days demand.

And remember, the cost is only a few cents a day. Let us show you how little it costs to have all the ice you want.

Margaret Boger Is Party Honoree Thursday Morning

Mrs. A. C. Boger and Miss Doris Boger entertained a number of guests with a delightful bridge party Thursday morning at the home on Paradise Street as a compliment to their daughter and sister, Miss Margaret Boger, before her return to college in September. Several games of bridge were played throughout the morning after which prizes were awarded to Miss Annabelle Robertson, high score winner, and to Miss Katharyn Pigg, low scorer. Miss Ruth McCulloch was presented a house guest gift and the honoree was remembered with a lovely gift.

A delicious two course luncheon was served at the close of the games to the following guests: Miss Virginia Sewell, Miss Ruth McCulloch, Miss Frances Murchison, Miss Cath-

line Pigg, Miss Minerva Price Rhoads, Miss Annabelle Robertson, Miss Mary Frank Coffey, Miss Robbie Flanken, Miss Maude Ellen Goetze, Miss Martha Long, Miss Cornelia Johnson, Miss Mary Tom Linn, Miss Mary Catherine Massie, Miss Mary Dodson, Miss Mozelle Parker, the honoree, Miss Margaret Boger, and the hostesses, Mrs. Boger and Miss Doris Boger.

Methodist Church Stewards Honored With Fish Fry

The stewards of the First Methodist Church, their wives, and other guests were delightfully entertained Thursday evening with a fish fry at Lake Kemp. Motor boat riding proved to be an enjoyable feature of the evening together with the fish feast.

Thanks were extended by the stewards to the following, who assisted in making the entertainment possible: to the Herring Bank for the use of their club house, R. L. More for passes, and to B. H. Lewis, Tom Bell, Arthur Carney, and E. H. Pigg for the fish.

The stewards, their wives, and other guests who attended include the following: Mr. and Mrs. J. W. Brock Jr., J. A. Carney, Mrs. W. T. Berry, Miss Rebecca Crow, Mr. and Mrs. B. H. Lewis, Mr. and Mrs. E. L. McHugh, Miss Myrtle McCroskey, Miss Jessie Milner, Mr. and Mrs. E. H. Pigg, Mr. and Mrs. E. P. Robertson, Mr. and Mrs. L. D. Terrell, Mrs. S. E. Porterfield and daughter, Sammie June, Mr. and Mrs. W. P. Thomas, Mr. and Mrs. Lee King, Mr. and Mrs. M. A. McHenry, Mr. and Mrs. U. S. Davis, Mr. and Mrs. P. M. McKinley, Miss Robbie Castlebury, Tom Bell, F. A. Caperton, Dr. R. E. Dickenson, of Dallas, and Rev. and Mrs. C. A. Bickley.

Miss Lacy Entertains Class With Swimming Party

Miss Annie Lacy entertained members of her Sunday school class of the Junior department of the First Methodist Church and other guests with a swimming party at Hill Crest Country Club Thursday evening. Following the swim, a picnic lunch was served.

The members and guests included the following: Dorothy Wheeler, Gladys Lacy, Bernadine Owens, Louise Jackson, Jewell Marlowe, Vera Ballard, Mae Ethel Byrd, Ernestine Wilson, Gracie Mae Willis, Irene Willis, Lottie Pearl Riely, Vera Martin, Margaret Lucas, Mildred Lucas, Myrtle Turpen, Miss Ruth Ellen Todd, of Ryan, Okla., and the teacher, Miss Lacy.

Peach Layer Cake Most Tempting.

Menu for Dinner
Deviled Crabs, Buttered Lima Beans, Stuffed Tomato Salad, Bread, Currant Jelly, Peach Layer Cake and Whipped Cream and Coffee

Deviled Crabs, Serving Six

6 crab shells or a small baking dish
1-2 cups fresh or canned crab-meat
1-2 teaspoon salt
1-4 teaspoon paprika
2 tablespoons chopped green peppers
2 tablespoons chopped pimientos
1 egg
1-4 teaspoon celery salt
1-2 cup bread crumbs
6 tablespoons butter, melted.
Mix the crab, salt, paprika, green peppers, pimientos, egg and celery salt. Mix the crumbs and melted butter, add 1-2 of this to the crab mixture and pour into the shells. Cover with the rest of the crumbs and bake for 15 minutes in a moderate oven.

Peach Layer Cake.

1-3 cup fat
1 cup sugar
2-3 cup milk
1 teaspoonful vanilla
1-4 teaspoon almond extract
2-2 cups pastry flour
2-2 teaspoons baking powder
3 egg whites, stiffly beaten
Cream the fat and sugar. Add the milk, extracts, flour and baking powder and beat for 2 minutes. Fold in the egg whites and pour into 2 layer cake pans, which have been fitted with waxed paper. Bake in a moderate oven for 25 minutes.

Peach Filling.

1-2 cup sugar
4 tablespoons flour
1-3 teaspoon salt
2 egg yolks
1 cup milk
1 cup fresh peaches, diced
1 teaspoon butter
1 teaspoon vanilla.
Mix the sugar, flour and salt. Add the yolks and milk. Cook in

a double boiler, stirring constantly, until the mixture becomes very thick. Add the peaches and cook for 3 minutes. Add the rest of the ingredients and cool. Spread on the cake.

New York G. O. P. Names LaGuardia for Mayor's Post

New York, Aug. 2.—(P)—Florence H. LaGuardia, swarthy little fighting man who grew up on an Arizona army post and later fought his way up from private to Major in the A.

E. F., has been picked by New York City Republicans to run for mayor this fall against the debonair "Jimmy" Walker, Democrat.

At last night's unofficial Republican convention LaGuardia's was the only name presented.

The convention was unofficial in that the city holds a primary election, which is expected to result merely in endorsement of the convention's choice.

LaGuardia bolted the Republican party in 1924 and got himself elected to Congress on the Farmer-Labor

ticket. In 1926, he was re-elected as a Republican.

He has been a consistent foe of prohibition. Year in and year out in Washington he has denounced prohibition enforcement methods. Three years ago he publicly manufactured beer in his office in the House building in an unsuccessful attempt to get arrested and test the law.

BORAH FAVORS SCRAPPING OF BRITISH SHIPS

**Suggests Action by England
Similar To That of United
States Following Agreement
Reached at Washington Con-
ference.**

Washington, Aug. 2.—(AP)—Unlike many who have expressed their views on means of attaining parity between all branches of the British and American navies, Chairman Borah of the Senate foreign relations committee apparently would rather see British scrapping of ships than American building or a combination of the two. "If Great Britain will follow our

example at the Washington conference and sink some of her ships and thus come to parity," he suggests, "it will not only save the taxpayer but reduce the incentive to war— for huge armaments are always an incentive to war, partly or no partly. But if we have to build up to parity, it vastly increases the burdens of the taxpayers and augments the incentive to war."

His statement, issued 24 hours after a White House luncheon at which he and President Hoover discussed the general naval situation and, presumably, the British-American parity agreement reached in London by Prime Minister MacDonald and Ambassador Dawes, revived curiosity as to the chief executive's opinions as to various means of attaining the desired end.

Henry B. Mason, who has been connected with the Dodge agency here for a number of years, has accepted a place with the Mullins Motor Company, Buick agents, as manager of the used car department. He assumed his new duties yesterday.

DAILY NEWS AND JOURNAL ARE MERGED IN CHICAGO

Chicago, Aug. 2.—(AP)—The Chicago Daily Journal, the oldest afternoon newspaper in Illinois, announced today it had associated itself editorially and linked its name with the Chicago Daily News.

The Journal announcement said: "Effective today the Chicago Journal associates its editorial activities and links its name with the Chicago Daily News."

"Its program and policies are entrusted to the management of Walter A. Strong, publisher of the Chicago Daily News, and his associates."

"As soon as it can be arranged the Journal reading family will be served by the Daily News from the great new publishing plant on Daily News Plaza."

Signs of Times To Be Revival Sermon Subject

"Signs of the Times" will be the subject of the sermon tonight at the Union Revival held at the American Legion tabernacle on Marshall and Deaf Smith streets. Rev. R. L. Cotton will preach. It was announced this morning that the revival services will be continued for another week.

Rev. J. M. Perry of the Central Christian Church will preach at the Saturday night services on the subject, "The Infidel's Conversion." The union revival services here will be dismissed early Sunday evening for the special anniversary services in honor of Rev. Perry, who will have completed his fourth year as pastor of the Central Christian Church of Vernon next Sunday.

Tuesday night the negro union church quartet will sing several numbers as a special part of the revival program.

Leahy Is Calm--

(Continued from page one.) mer employee whose testimony helped send Leahy to the chair.

During the afternoon Mrs. Leahy visited him. Gradually the shadows lengthened on the prison walls and time for the evening meal came. Leahy was served a chicken dinner "with trimmings."

It is customary to shave the heads of condemned men soon after they have eaten their last meal, but Leahy asked delay.

"I hope for a break," he said. "Maybe something will happen to stay the execution."

Nine o'clock came and no word of comfort. The prison barber shaved his head clean for the death cap.

Eleventh hour attempts to secure a stay of execution and to secure the admission of an appeal to the Court of Criminal Appeals through permission of Judge F. L. Hawkins, failed Thursday. W. C. Wofford of Taylor and Walton Taylor of Waco were in Austin throughout the day seeking to save the condemned man.

After two long conferences with Gov. Dan Moody, the latter announced that he would not interfere with the scheduled execution. Judge Hawkins refused to entertain any motion or accede to any request for filing any form of appeal.

Earlier in the day, Leahy's attorneys failed in an attempt to get Judges of Bell and Bastrop counties to entertain injunctions stopping the execution.

Leahy was given a sanity hearing on affidavit of Miss Amanda Davidson of Taylor that she believed the condemned man had become insane since his conviction. A jury found him sane early this week.

In his first trial at Georgetown, Liveoak County, Leahy was given 50 years in prison. He asked for a new trial and Judge T. M. Cox of Beeville gave it to him without the necessity of his appealing to the Court of Criminal Appeals. He was given the death penalty on the second trial at Georgetown, where Judge Cox sent the case on a change of venue.

U. S. CONSUL PROTESTS TREATMENT OF AIDE

Tokyo, Aug. 2.—(AP)—Dispatches from Harbin, Manchuria, today said George C. Hanson, the American consul there, had protested to the Chinese authorities regarding alleged rough treatment of an American vice consul.

The vice consul intervened to protect an American woman who was being roughly handled by the native police, who then turned on him.

The dispatches did not name the vice consul. There are two at Harbin, Paul M. Dutko and T. Leonard Lilliestrom.

Former Resident Dies.
Word was received here this morning of the death of Mrs. Ellen Denson of Amarillo last night. Mrs. Denson was a former school teacher in Vernon and was a sister of the late Mrs. J. H. Pendleton. She was Miss Ellen Baker before her marriage. Funeral services will be held at the home in Amarillo Sunday afternoon.

FRENCH PRISON HAS BIG FINANCIAL "ROW"

Paris, (AP)—There are 126 bankers in the "financial row" of la Sante prison. Nearly all of them ran banks but often the banks did no real banking business.

Although most of them trimmed their customers as thoroughly as possible, none of them seems to have profited much. Usually, they in turn were victims of handsome but extravagant women or of their faith in their ability to guess what the stock market would do.

One of the first remedies agreed upon by parliament was the requirement of a clean legal record from those who wish to start banks. Ex-convicts no longer need apply for charters.

MUSSOLINI REPORTS ITALY ACCEPTS YOUNG PLAN

Rome, Aug. 2.—Italy accepts the Young plan for reparations in the hope of advancing the economic and political reconstruction of Europe. Benito Mussolini Fascist leader, declared Thursday following a meeting of his advisers in the Chigi Palace to examine the plan.

The group of government leaders scrutinized the new reparations scheme in detail. They also studied the line of conduct taken by the Italian government in regard to reparations in past years as shown by many diplomatic documents.
